2018 “The Power of Vision” Student Scholarship Application:

Purpose of Scholarship: Appreciating the strengths and passions of High School Students that range from the arts or technology, science to sports, and everything else in-between, Apple Valley Vision is excited to recognize students who demonstrate the ability to do great things with their lives. Whether in academics, extracurricular activities or through leadership in community service, nominee’s personal stories of how they are moving toward their life goals will also be considered. The “POWER OF VISION” scholarship program will grant two (2) \$500.00 scholarships to graduating seniors at Payson and Salem Hills High Schools who demonstrate a clear and unique vision, strong ambition and determination to bring their dreams to life.

Date: _____ **Students Name:** _____

Nominating Teacher/Administrator: _____

School Student Attends: _____

Teachers or administrators are invited to nominate a graduating senior by writing a compelling essay as to why that student deserves this scholarship. The deadline for submitting essays is May 15th 2018.

Nominations can be mailed directly to Apple Valley Vision’s office, faxed in, or submitted on line to the email address provided above.

The Apple Valley Vision staff will then review the applications, and pick 1 male and 1 female applicant to receive these scholarships. We want to surprise students by awarding the scholarship at the annual Senior Award Night.

Please write a short essay, detailing why the above student should receive this scholarship:
